Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: There are three XXX scenes with jizz-hungry newbs and six solo sluts.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere.

After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD.

Here are the highlights of this issue's bonus scenes.

Autumn is a thick redheaded amateur.
She strips off her white tank top and jean shorts to reveal her soft, supple body. Then, our much-older cocksman gives her a vigorous thrusting, ending in a sticky facial.

Nella is a Miami party girl.
Her skin is tanned, her voice is hoarse from screaming at the club last night. She sat down for dirty talk before asking a stud to fuck her pussy and cum all over her face and D-cup tits.

Little teen Cadey has to pee!
She's young, flat-chested and ready to burst. Good thing she's in the shower. She strips, pops her foot on a shelf and gives us an up-close look at her stream. Then, she soaps up and masturbates.

Daphne is innocent looking.
But this angelic-looking cutie has a dirty mouth. Watch her put it to use on our stud's dick before getting stuffed and sprayed.

This is Lexis's first-ever nude scene.
She tells us about her love of flashing her 19-year-old tits and how she likes to masturbate. Then she shows us what she means with her purple toy.

Adira is a blonde stoner with a bush.
This 20something shaved her pubes into a heart. She's funny, pretty and horny. Watch as she rubs her clit and fingers her tight, pink asshole.

Come see Alisa's cute, puffy nips.
You're in for a pleasant surprise. She's a Bush Baby with a wild tangle of dark, fragrant pubes in her red panties.

Ali is a young, pretty teenager.
She's a bisexual blonde with the timid voice of a bird and a very slight frame. She's strumming her hairless pussy until her juices stream down her thighs and she shakes from an orgasm.

Brunette Kenzie is a kinky girl.
She's prim and proper looking, but once she drops her rose-colored cocktail dress and pulls her panties to the side, you'll recognize that she's a special kind of horny amateur.

lisabel

Dosquebradas, Colombia

lisabel is dating an older American guy who lives part-time in South America. "I wish he were around more often," lisabel told us. "He's a subscriber, and he convinced me to shoot photos for the magazine. He said it's so he can have something to jerk off to when he's in the States, but I already send him selfies and videos all the time, so I think he wants to show me off to the world." We don't care what the motivation was to get lisabel here. We're just glad she called us up to spread her legs for our readers.

Dance floor memories.

"Back when I was single, I would grind up on guys at the clubs. I would never go home with them, but when I got back to my apartment, I would masturbate for hours remembering how hard their dicks felt through their pants."

"Even though I like the thought of guys seeing my pictures and jerking off, I don't think I'll ever do something like this again. I like being with just one partner. I hope my boyfriend will propose to me when he returns to town later this year. These pictures are kind of a one-time thing for me."

DICK·HUNGRY MILFs 6

These women need cock, aren't afraid to admit it, and go after what they want. They're all in their 40s and have been around the block a few times. Take Suzi Grande. She seduces her 20something stud by wearing a silk robe and lingerie. As soon as he walks in, she pounces. Soon, his long rod is nestled on her tonsils. He titty-fucks her before gaping her pussy and finishing on her tits.

5 REAL XXX MOMS!

In a nut-draining scene, 41-year-old Valentina Ross sucks and fucks a dude who's young enough to be her son. He adores her beautiful little tits and has a ball eating her hairy pussy. She goes to town on his cock and balls, and then they fuck, passionately kissing, before he cums on her soaking-wet bush.

Valentina Ross

Cheyenne Duvallon

Cheyenne, 41, is from Switzerland. She has enormous G-cup tits that she loves playing with. She's married, by the way, but she's too much of a freak to only fuck one dick for the rest of her life. Watch as she gobbles up a porno cock, drooling over the balls, and then rides until she cums. She ends the scene with her big boobs plastered.

Anna Maria

In 46-year-old Anna Maria's scene, she's lying in bed, fucking her pussy with a dildo, cumming hard. Then, she takes off her stockings, sucks on her toy and enjoys that warm post-cum feeling. Then one of our studs walks in. Her pussy is nice and primed for his bulging dick, so he slides right in and gives her the hard fuck of a lifetime.

Dallas, 41, lets our stud eat her cunt until her juices soak his beard. She even picks up the phone to take a call while getting eaten out. But that's not the highlight of her scene. She's an anal addict and can't cum unless there's a thick cock shoved up her backdoor. She gets a hot, thick facial.

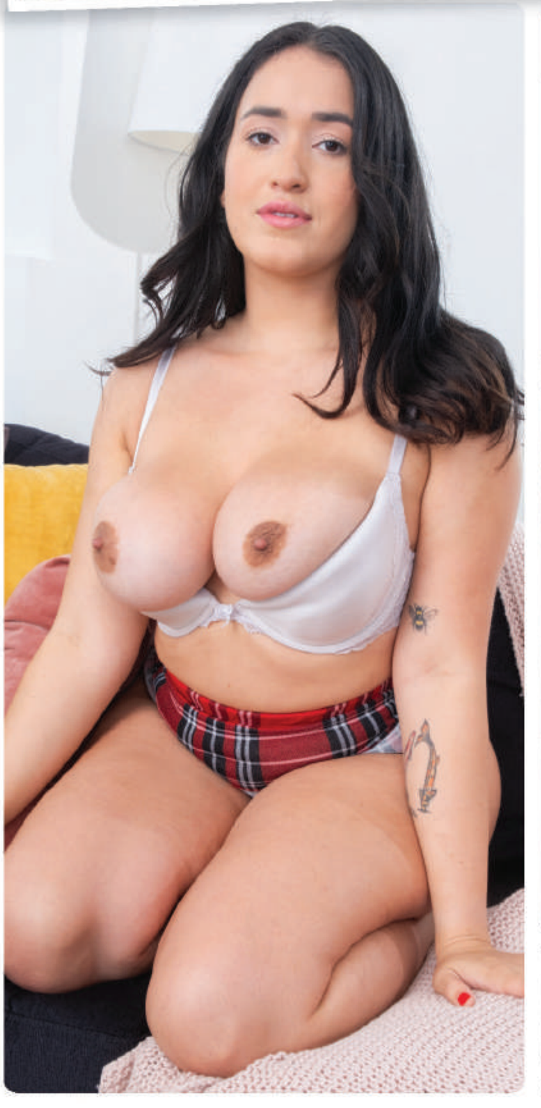
Nia

Miami, Florida



You can tell from Nia's bangin' body with its bodacious curves, big, hangin' titties and PHAT, round ass. She's no schoolgirl. But who the hell cares? She looks dynamite in her plaid skirt and tight, white top. She knows that, too. "I'm all about dressing up for my men," she told our photographer. "I'm down for anything that gets the blood pumping and the animalistic urges to come out. Do you wanna pull my hair? Go for it, big boy."

She's always ready.

"I always keep my lil' kitty nice and smooth because I never know when I'm gonna find a guy that I just have to fuck. It happens more often than I can explain. If a guy does it for me, I have to tell him, and I wanna be prepared."

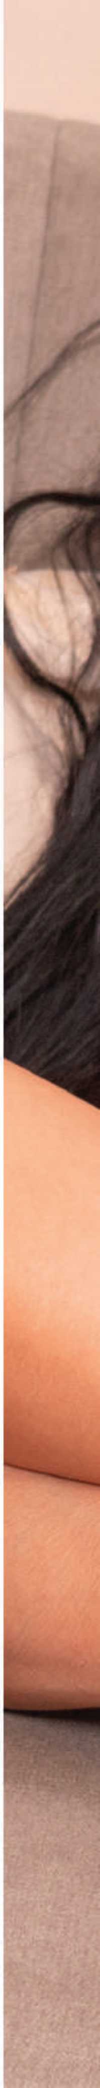
Ara

London, England

The first thing our photographer noticed about Ara was her cute outfit. "Thank you," she blushed. "You wouldn't believe how long it took me to pick out this dress. I wanted to look good for you. I like to look cute and feminine when I'm going to classes or out on coffee dates. But if I'm going for a hookup or out to a pub to look for a fling, I have a whole 'slutty' section in my closet."

Ara spends a lot of time with other girls because she's an art student studying fashion. We asked if she likes girls. "I would be lying if I said I didn't check out my models as they're wearing the clothes I make. I'm there with them as they're changing, and I definitely notice their bodies. I'm not a lesbian, but I've tasted my fair share of pussy. It's good, but it'll never replace cock for me. I'm like 10% bisexual." If you want to see Ara take a cock on-camera for the first time, check out our last issue, ***NN2902***. Order it now on page 19!



It's all about foreplay.

"Some of the best sex I've ever had was with a...smaller guy. I'm not trying to be mean, but he had a tiny pecker. But he spent 45 minutes going down on me until I was drunk off of cumming. Then, he got me to cum through fucking."

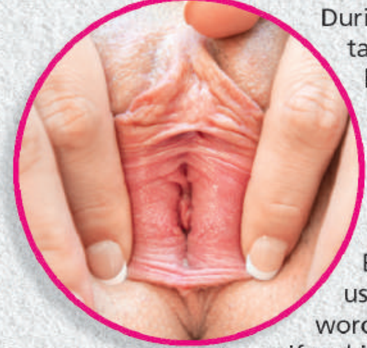
OUR MONTHLY SHINDIG OFFERING SEX TIPS, TRICKS AND A HOST OF SEXY CHICKS

A VULVA BY ANY OTHER NAME…

We all have our preferred terms for vulva. Women nickname their genitalia with cute, flowery words like foo-foo or kitty. During dirty talk, it might be hot to choose a raunchy word for it, such as slit or cunt. But try using those words with your wife while doing the dishes and you might find yourself sleeping on the couch. Where do these words come from? Here's the history of some of the most popular words to describe a vulva.



Pussy- Perhaps the most common term used today, pussy has meant labia in English since the 19th century. Before that, it simply meant woman, dating back to the 16th century. There are two common origins for pussy. It comes from the Low German word puse, meaning vulva, or Old Norse puss, meaning pouch or pocket. We didn't start calling our male friends pussies when they acted scared until the 20th century.

Cunt- It's the big no-no word today, but it hasn't always had such a bad reputation. In fact, the first use of the word in print was on a map of Oxford, England, in 1230. Gropecunt Lane was a street where prostitutes hung out. It is now known as Magpie Lane. The word derives from the Germanic root kunton, which means female genitalia.

Coochie- As far as slang terms for labia go, coochie is the new kid on the block. It dates back to a popular song and dance performed at the 1893 Chicago World's Fair. A famous belly dancer named Little Egypt danced suggestively to a rousing ditty called Hoochie Coochie, and many scholars believe this was a precursor to the modern striptease. Interestingly, several belly dancers used the name Little Egypt, including one who was filmed by Thomas Edison for a film short titled Coochee Coochee Dance. Another Little Egypt caused an 1896 vice-squad raid at a posh Fifth Avenue bachelor party in New York held for Herbert Seeley, grandson of P.T. Barnum. Rumors started swirling that Little Egypt planned on dancing fully nude, so Theodore Roosevelt, then New York City Police Commissioner, ordered a raid.

COFFEE AND CUMMIN'.

You shouldn't trust everything you read online, but sometimes you find a bit of information too good to ignore. Dr. Karan Rajan, username @dr.karanr on TikTok, shared some excellent news for horny caffeine users. She explained that the high doses of caffeine found in coffee act as a vasodilator, effectively widening blood vessels. Arousal and orgasms are dependent on the amount of blood flowing to the genitals, so men and women are more likely to climax and have more powerful orgasms after a few cups of Joe.

Mia

Pereira, Colombia

Mia is looking exceptionally cute in these pictures. We asked her if she always dresses so casual. "I'm very casual. I like jeans and strappy tops. I really like comfort. Almost all of my panties are simple and comfortable cotton Cheekies. I have some fancy stuff for dates, but I figure that a good date will end up with all of my clothes on the ground anyway, so why bother with expensive, uncomfortable stuff?"

Dylan

We asked Mia if she had any hidden kinks. "Hmm," she pondered. "I like playing with candle wax during sex. The first time I used it, I was dumb and used a regular candle. The wax got way too hot, and getting it all off afterward was a pain. Then I got candles made for sex. It's exhilarating when it hits your skin. My brain goes crazy, and it amplifies my sense of touch."

Girls who pose nude in our magazine often enjoy the excitement of public nudity and public sex. "I guess you could call me an exhibitionist," Mia shared. "Once, I went down on a guy in a movie theater. There were people all around us. I'm pretty sure everybody saw. Another time, I met a guy at a nightclub, and we ended up fucking in his car. We got busted by the police, and he and I both got fined."

She likes it from the back.

"My favorite sexual position is doggie-style because I like deep penetration. Also, the only way I can cum is from clit play, and doggie allows me to rub myself while my ass is in the air and the guy is doing his thing."

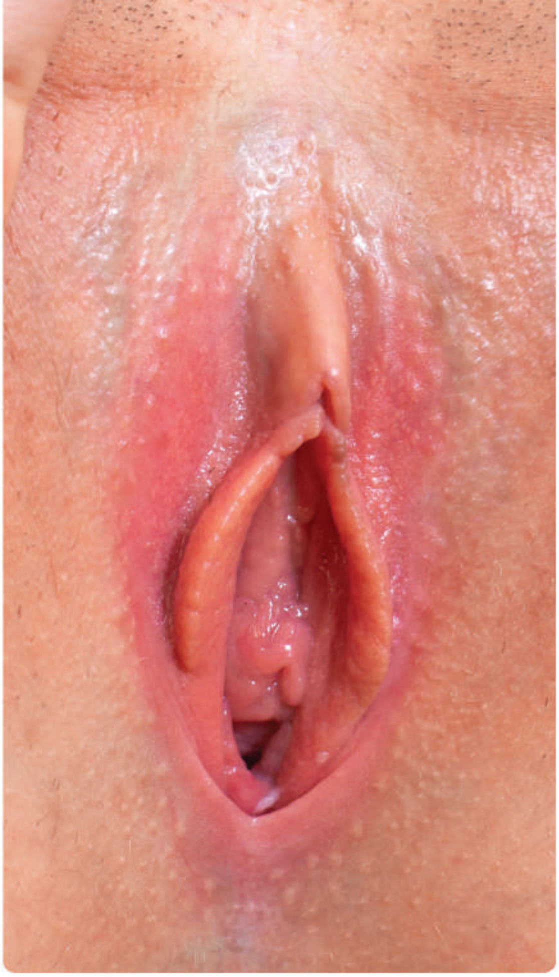
Elly

Kiev, Ukraine

Elly is a student with a cute, innocent face. She also has an impressive set of sweater puppies that she can't hide, even if she tries to. "I'm really shy," Elly told us. "I don't like people staring, so I tend to wear a lot of sports bras to compress my boobs. Every time a guy sees me naked for the first time, they're blown away by their real size."



Elly has a part-time job teaching kids how to play tennis. She told us that it's good exercise, and she enjoys flirting with her students' dads. "I have a thing for older, married guys. I'm not going to fuck a guy with a wife at home, so it's a safe flirtation for me. I can't get into too much trouble. It's just a bit of harmless fun that makes me horny."

Clear the runway.

"I get waxed as soon as my pussy stubble grows out long enough for the wax to grab onto. I can't stand having hair down there. Smooth just feels better for me and for the guys I'm fucking. I want to get lasered soon."

Kira

Cleveland, Ohio

"I masturbate daily, sometimes multiple times if I'm stressed," Kira informed us. "My Hitachi magic wand does wonders. I actually hold my breath until I cum and then release it, and the endorphins are incredible. It's similar to being choked. I love it. I really want to try out a fuck machine. Fun fact: I used to keep an electric toothbrush in my car console for long drives. Do with that information what you will."

Marry

Prague, Czechia

What's better than a cute face dotted with adorable freckles? Not much. Marry isn't just a pretty face. She has a bangin' 18-year-old body, a pussy that you could write poems about and a sex appetite that puts yours to shame. In short, she's a ten out of ten. We asked if she ever tires of hearing how pretty she is. "Not at all," she responded. "I love compliments."

Marry's favorite position is cowgirl. "I cum almost every time when I'm controlling the pace," she informed us. "I like reverse cowgirl if the guy's dick is big enough. You can't do that with a small one." If we were that guy, we'd probably nut in under a minute because Marry's sweet, wet slit is just that tight. "I've had my fair share of one-minute men. It's a real bummer."

"I can't count how many guys have asked if my boobs are real," Marry told us. "I mean, seeing me naked, it's obvious that they're real. They're not perfect. But when I'm wearing a bra, I kind of get it. I don't have the frame of a girl with big boobs. I've found that when guys ask, they're looking for an excuse to touch them. I usually just laugh and tell them that they'll never know. When girls ask me, I'll let them get a handful."

BLOCK PARTY

can be rife with issues. In an ideal world, a couple could go to a party, strike up small talk with an attractive single person and end up in bed for hours of mindblowing sex. In the morning, there wouldn't be any lasting jealousies, just great memories. But this is the real world, and humans are messy and emotional.

Bonnie and Jim from Seattle have been kicking around the idea of having a threesome. Jim, a subscriber, reached out to us with his wife of five years to ask if we could put together a guide for couples such as themselves. Bonnie had the typical bisexual phase in college, and Jim has always had a hard-on for receiving a two-girl blowjob. What guy hasn't? They explained that the furthest they've gone toward a threesome is Bonnie making out with a few of her friends while Jim watched.

"I just want to make sure whoever we bring in doesn't want to only give attention to Jim or only to me," Bonnie explained. "I think that's how jealousy could enter the equation." Jim's primary concern is a bit different. "I want to be able to perform, obviously, and pressure has been an issue with me," he explained.

To help the couple, we reached out to a sex therapist based in California to get some advice for the young couple. "As long as people don't go into a threesome thinking that it will fix their relationship, then it's not an unhealthy thing to dabble in," Joe Pringle explained. "Bonnie clearly anticipates jealousy to be an issue, which it certainly can be, but conversation and clear planning can help couples be comfortable before they jump into a threesome. Here are a few starter questions they should be on the same page about. First, I would recommend each person write a few paragraphs about their ultimate threesome situation. This can include fantasies, rules not to be broken, a preferred location and duration of time each person can spend having sex with the third. Then, they should read what their partner describes. Overlap is great. If there is

friction, then they should be able to talk about it. Nobody should compromise their comfort to make their partner happy."

It's the golden rule: Sharing is caring.

We asked Joe to list a few more questions for couples to answer before they jump in the sack with a stranger. "It's about a lot more than jealousy, of course," he explained. "The logistics of a threesome are a hard thing to work out. Where will you feel comfortable finding the third person? Do you think a local bar or club is okay? Your partner might want to look further afield to avoid bumping into someone you know. Will you host the third person at your home, or will you rent a hotel room? Will both of you be active for the night, or is one more into observing? What kinds of penetration are okay? Keep in mind that even the best-laid plans can fall apart. You should always be talking and communicating about your comfort throughout the process and even during sex."

Jim's concern about being able to perform with two girls (the couple's preferred threesome format) is rooted in reality. A lot of guys run into trouble maintaining an erection during stressful times. "It's happened to me before," Jim explained. "The first time I had sex, I lost my boner right after I pushed it into her. It was so embarrassing, and that feeling has always stuck with me. I'm obviously comfortable with Bonnie, but adding another girl to the mix might make me anxious."

Joe explained that this is a normal and healthy reaction for men. "It's happened to almost every guy, and to be blunt, it sucks. But women have seen it all, even if they rarely share that with their partners. If they've been sexually active with enough partners, they understand that men and penises are both complicated. But one of the beneficial things about having a threesome is that there is someone else there to pick up the slack, as it were. If Bonnie gets more time to explore the other girl before Jim's ready to try again, I doubt any-

Nikki

Chicago, Illinois

"I'm a big basketball fan," Nikki told us. "Go Bulls! I'm too young to remember Michael Jordan playing, though, which is too bad because I still have his poster hanging in my room! My best date ever took place at a Bulls game. A guy from school asked me out, and I was totally going to say no, but he had good tickets. The Bulls won, so I let the guy win, too! I gave him a long, sloppy blowjob in the car on the way home."

What's next for Nikki?

"I've never been skydiving or scuba diving. I've also never had anal sex. I love being licked and fingered back there, but I've stopped every guy from going further. I think a girl with a strap-on would be gentler for my first time."

AJ Lee

Kosiv, Ukraine

AJ is a serious young lady. She seemed nervous when our photographer greeted her at the door, and she was quiet and meek during a brief interview. But that doesn't mean she's not a serious freak. We asked her what her favorite position is. "Doggie," she replied. "Because if I want to change it up, I can slide the cock up my ass." AJ kept most of her answers short and sweet like that.

When asked about her favorite kinds of dates, AJ told us that she likes going to the movies. "I haven't seen anything good in a long time," she shared. "There's too many superhero movies out. Those bore me. I was on a date once, and the guy forced me to see one of those stupid pictures. I decided to distract him by grabbing his cock through his pants every time something big was happening on the screen. He got so mad, but he couldn't say anything. I ended up giving him a little head."

As hard as it was to break AJ out of her shell, she was having a good time posing for her pictures. "I like masturbating a lot, and it's fun to have an audience," she explained. "I've been naked in crowds a couple of times at concerts and festivals. But that was walking around with my tits out, painted to look like flags or flowers by a body painter. Those guys have the best job in the world. They get to listen to music all day while fondling hundreds of boobs."

That's hardcore!

"I've only done it once, but the kinkiest thing I've ever done is go ass-to-mouth with my ex. We were going at it like animals. He was fucking my ass so hard. When he said he was going to cum, I dropped to my knees and sucked him off."

Ellen lost her virginity to a bad boy. "He picked me up on his motorcycle," she told us. "I'm sure my dad hated every moment I dated that guy. Anyway, he took me on a long, winding ride up to the mountains. We pulled over to take a break, and that's when we made love. It was very romantic and slow. It's funny because now I like sex really hard and fast."

Get swole, get laid.

"My favorite sex position is against a wall with the guy holding me up by my ass. It's hard, but it makes me feel amazing. It only works if the guy is fit enough to hold me for a while. It's not sexy if the guy is straining!"

one will mind too much. There's an old myth that's been pushed onto us repeatedly–Just one partner must fully fulfill us. That's not realistic sometimes. A threesome should always be an exercise in keeping your spouse happy by taking pleasure in their pleasure. You need to realize, 'Oh, this is nice. The whole thing isn't in my hands anymore. This relieves some pressure. Someone else is here to help.'

Bonnie shared another concern. "I want to be able to look at Jim after we're finished and know that he thinks I'm still enough. I've seen porn, and I know that some girls are better at it than me. I don't want him [Jim] to get a taste of something that he'll never get again and feel regret about being with me."

"It's okay for people to have sex in different ways," Joe responded. "Some people don't like giving or receiving oral sex, but their spouse might. The spouse loves that person and is fine with being with someone and respecting boundaries, but a threesome is an opportunity for everyone to feel fulfilled, and that doesn't mean that the couple's love evaporates if a new technique or sexual act happens. There's also an opportunity to gain some tips or tricks you can incorporate into the bedroom once it's back to just the two of you."

With a loose game plan in place, Bonnie and Jim thanked Mr. Pringle and told our editor they would check back in later. After they logged off, we asked Joe to tell us if he thought they were ready for the experience. "There's no perfect threesome couple. Everyone is different. However, there are some common characteristics of couples that can flourish after bringing in another sexual partner. They already have a good sex life that is fulfilling for the both of them; They aren't jealous and have complete trust in one another; They feel happiness when their partner feels happiness."

Time will tell if Jim and Bonnie are that type of couple, but we're hoping that they have a good time soon.

Violet

Knoxville, Tennessee

Our stud Jack Vegas is twice the age of Violet. We asked her if she's a fan of older guys. "Absolutely," she exclaimed. "They're sexy as hell, and they know what they're doing. Young guys don't put in any effort. An old dude will eat my box for an hour until his nose is sore and his tongue is pruned. And they always wear nice cologne. Plus, they usually have money."

Violet told us that she has a lot of hobbies. "I can play the violin, and I'm a good dancer. I also like to create art. I'm a decent painter and can sketch pretty well. Sexually, I love giving head, and I'm pretty damn good at it, I've heard. I would suck my ex off all the time, and he came every time. It was kind of like a prank. We'd be hiking in the woods, and I'd be like, 'Okay, it's time to suck now. Drop your pants.' He loved it, of course."

We asked Violet if she has a lot of anal. "Not all the time," she explained. "It's not the easiest thing to do. It takes me time to prepare, and the guy has to be knowledgeable about having anal. He can't just jackhammer my asshole! The first time I tried it, I couldn't get the dick in. I tried and tried, and later I found out that it's because he was pushing too hard, and my body was tensing up. Everyone has to be relaxed."

Paint her like a canvas.

"I'm a big fan of letting a guy bust in my mouth, but I don't like swallowing. The texture of cum is weird. I'm good to go if the guy wants to spray me anywhere else. Cum is fun to play with. And it's hot watching it shoot onto me."
